“ Lots of fun memories of Jeff from Chestnut Hill Street. My favorite is when Julie, Jeff surprised and I were hanging out in a motor home in their driveway. We thought we were so cool. Out of nowhere, there was loud banging outside on all the windows. The 3 of us frozen. Then panicked and freaked out...bad. Turns out it was Jerry and Jan, who we somehow found having a blast and laughing hysterically after scaring the crap out of 3 little brats. 😂 I wonder if he and Jan are retelling that story and so many others right now. I know their reunion was a joyful one. Sending so much love, strength and prayers to Jeff's entire family.💔💔💔

I'm so sorry to hear of Jeff's passing. Many happy memories of the days when all the neighbor kids were outside playing and having a good time. I enjoyed living next door to the Whites. My wish for all of you is peace and comfort during this difficult time. 🙏
