“ *Being family, it was always a special time for my mom, and me when we would drive up to Toledo to see, my Aunt Faye, and her daughters, and their families. I miss those days so much. Joan would call these last years, and check on me, and see how my grown family was doing. I just talked to Joan a couple of months ago, when she called me at work, and was just checking up on all of us. I am so honored to have known her, and the time I had spent with her, and the family. I thank you for always having a smile on your face, for treating me as part of your family, and never forgetting me. Love always to you.*

“ As a close friend of her niece Diana French, I was fortunate to share in Joan's loving presence. She was very special to Diana and Diana called Joan "her second mother." Joan was a kind and loving person and I always enjoyed my visits with her. May God bless her and the entire family. My prayers are with you during this difficult time.
