“ Oh, I was so sorry to learn of Joan's passing. My heart hurts. I just saw it today on the memorial wall at work.
Joan was such a wonderful, loving, gentle woman. She spoke often, and I do mean OFTEN (!) of her daughter and grandchildren. No question of her love for you.
After retirement she joined a group of us for dinner and the theater for a couple of years.
That was so nice to keep in touch.
My condolences to all the family.

“ *My family was blessed to know Joan. We met years ago when the girls played basketball. She was always our #1 fan. She loved her Irish and loved reminding me when they beat my Spartans. Joan thanks for being you and your kindness you have shown my family over the years. You will be missed. Rest well. Love the McKays.*

“ There are lots of memories of my "BIG" or as I would say "OLDER" sister. We are (were) two years apart growing up. So when she was a senior in high school I was a sophomore, so we all know how that goes. I remember singing and harmonizing to songs our sister Barb had taught us when she was the nurse at girl scout camp We all had terrific voices and were in the choirs in Ss.cyril and Methodius catholic grade school and high school chorus. We did love to sing. Or the time we ripped each others dolls heads off, and it goes on and on. But the one most important aspect of my sister's life was her family that she loved so dearly. She fought a good battle and in the end she went to our Lord. The Versey girls were(are) feisty broads and in the end they did it "THERE WAY". Joan is now one of the "angels on my shoulder". Love you dearly and will miss. May the Dear Lord shine all His blessings upon you and your family and keep you all in His tender loving care. Your sister-Margaret Mary (Marge)
