“ *The skies above certainly have another shining star and I know Bob was waiting with open arms. Joanne was a great friend. Myself and several others in the "JUGS" (just us girls) shared many tears and laughs together. We all mourned the loss of our husbands and became fast friends. For many years we shared many happy times getting to know each other. Joanne, Danita and I were the last few who stayed in close contact.*

*I will miss Joanne, her smile, and her e-mails.*

*I had the privilege of meeting her boys on her 80th birthday. Robert, Ned and Tobin, may your wonderful memories of your mom be your comfort.*
