“ Aunt Joanne, such a creative lady. The best seamstress (those dolls were so fantastic!), the best cook, and a great Aunt! So happy I got to spend some time with you at Jenny's party. My Dad loved his sister so much. You are reunited with Grandma, Grandpa, your brothers, nephews and grandchildren. You will always hold a special place in my heart. You are so loved by so many. Rest in Heaven.
Love Cathy

“ Grandma- I am terribly lost without you! I honestly don't know how I will continue my life without you! You ment so much to me, you truly did! I will forever cherish all the memories I have with you! From staying up late on the swing & laying on your lap listening to those late night conversations as you stroked your fingers through my hair. You giving me a bath and washing me up telling me to put my head back. Making 3 meals a day and yelling for us to come eat before it gets cold. Making my Halloween costumes and those beautiful dresses i wore to school and felt like a princess in. You made bridesmaid dresses for your daughters weddings & flower girl dresses, you cooked 3 times a day faithfully, raised 9 children. You loved your family! I remember going to the store with less than 5 bucks to buy you cigarettes and a 2 liter of Pepsi i got to keep the change and buy myself little debbies and a blue blow pop. Coming over at 7am while my parents worked and watching the road runner. You treated me so good and I'll forever love you. You always had my back. You never let me down. In your final days you thanked me multiple times for doing my all for you and I replied i will always do anything for you grandma- your my grandma and it's my job. To have 1 more lunch at Nicks cafe with you. To have 1 more time hugging you, brushing your hair and hearing you yell damn girl not too rough. To hear you snore while i slept restless in a recliner that doesn't recline. God i know I am selfish to have want one more time with you. I know your not in pain anymore. I know your arm is healed and your diabetes is gone because your at peace now but I hope i will be with you one day when its ny time. Please hold my boy Adrian tight until I come. Show me signs your here with me in spirit and i will forever keep my faith Amen ❤️🙏 Love Mick
