“ My Name is Joe McGarry Iam the grandson of France Cousino. John's first co sponsor. As a young boy I remember playing in a sand box with one of his daughters. You see as a young boy I would go with my father a carpentor and France C to jobs working on houses. Years later i reintruduced myself to John and have very much bean blessed with his kindness, onesty and humility. Shairing our recovery, golf and stories of my grandfather has filled my life with joy and graditude for all of those who have come before me. I shall do my best with the grace of God to carry the message as John and my grandfather did.
God's blessings, peace and mercy to you all.

“ Dear Aunt Midge and Donna, Diana and Mike, Kay, Grace, Sharon, grandkids, great grandkids and our new little great great one too, and to all nieces and nephews ... What a sweet photo of Uncle John, he looks happy and content...

We are very sorry we will not be able to attend Uncle John's funeral. Our brother-in-law passed and his funeral is in Mpls this Thursday too. However, we do want to express our love for John and thankfulness that he helped keep the extended family connected with his idea of the family book. That book has opened so many doors for me.

I remember John and Midge coming back to Minnesota to visit Mom and Dad. I remember Pam and me taking the train with Grandma to visit you guys and sleeping on couches. I must have been about six. That was my first and only train ride. But most of all, I remember stories Mom would tell of childhood memories she had of her brothers and sisters. Her family meant so much to her too.

Our thoughts and prayers are with you all during this time of loss. We will make sure we keep in touch, and hopefully get a trip out to Toledo this summer. LOVE to all - Jim and Ranae##imported-begin##Ranae and Jim Breyen rbreyen@gmail.com##imported-end##
