“ I worked with John years ago at Dana. When I started my business in 1975, John installed garage door openers for me part time for awhile. John was a good worker and a good family man.

“ My deepest sympathy to all the family. Although I did not know John, we are first cousins: his Mother, Florence and my Mom Mildred were sisters. Please know John and all of you are in my prayers during this time of loss.

“ The most vivid memory I have of John is when I was meeting the family all those 44 years ago and he started throwing the basketball to me to calm the seas! 😭❤️
