

John D. Griffin

July 17, 1928 - July 25, 2011

Retired Toledo business owner John D. Griffin passed away at St. Joseph Mercy Hospital, Ann Arbor on July 25 following the recent onset of a number of health problems.

He was born in Chicago to Patrick Dominic and Annetta Veronica (Maynes) Griffin on July 17, 1928. His family relocated to Toledo while John was a youth and he acquired his fondness for all things mechanical during his high school days. While working at Willys-Overland after graduation he discovered his vocation as a tool and die maker. John served his apprenticeship at the craft and gained experience with local corporations before establishing a partnership with another respected journeyman in 1963. Astute management combined with a reputation for quality prompted Dun-Rite Industries' success. John took courses to improve his knowledge of computers and melded advances in technology with Dun-Rite's machinery. The firm prospered making injection molds and machine tools for the automobile industry and other producers of consumer products before John and his partner sold the business and retired.

Free from the everyday concerns of running a company, John pursued hobbies. He tinkered with mechanical objects of every sort and could repair almost everything. In 2005 he began pursuing a long-time interest in photography, taking classes to improve his innate skills. This brought forth a number of award-winning images in recent years.

John met his first wife, Velma Bushey, while still in high school. They were

married in January 1946 and became the proud parents of four lovely daughters over the next ten years. Sadly, Velma passed away in January 1977 after a prolonged struggle with injuries suffered in an automobile accident. Throughout the difficulties John remained at her side as attentive husband and caretaker. In July 1980 he married Eldora Lombardo. During their twenty-six years of marriage the couple moved from Toledo to Loch Erin in the Irish Hills and established a winter residence in Webster, Florida before Eldora passed away in May 2005. In June 2006 John married Sunny (Vernice) Snow. Throughout their five fun-filled years together John and Sunny enjoyed the fruits of retirement. They traveled extensively. Each summer they drove to Maine to visit with Sunny's family, stopping frequently along the way to call on friends or do some sightseeing. Alaskan and Hawaiian cruises allowed them the opportunity to experience the majesty of America's far western states, but their greatest trip was a tour of Ireland in May. In between long trips John and Sunny loved life at Loch Erin, taking leisurely boat rides across the placid waters and hosting relatives for great Fourth of July reunions. In their Florida home during the winter months John and Sunny kept active visiting friends and taking short trips.

Remaining on earth to cherish his memory are his devoted wife Sunny (Vernice); daughters Sheila [Asendorf] (Norman) Falkenberg, Katherine (Richard) Rajner, Janice (Kevin) Tidd, Mary (Michael) Tate; eight stepchildren, including Judith Sypercinski; grandchildren John (Aranne Moody) Asendorf, Mary Asendorf, Katrina Daun, Kelly Tidd, Megan Tate and Patrick Tate; and a large number of grand-children, great-grandchildren, and great-great-grandchildren. John was preceded in death by his parents, brothers Patrick and Joseph, sisters Marie McAtee and Gladys Darkowski, and his wives Velma and Eldora.

Visitation will be at Coyle Funeral Home, 1770 S. Reynolds Rd, Thursday from 2-8pm where a Scripture Service will be recited at 5pm. The funeral will begin in the mortuary Friday at 10:30 A.M. followed by a Mass of Christian Burial in Little Flower Church at 11 A.M. Interment at Calvary Cemetery. Memorials can

take the form of a contribution to the Onsted, Michigan Senior Center, 333 Conner St, Onsted, MI 49265, where he spent many happy hours with his retired friends and neighbors.

“ John was a wonderful man. He made my grandmother happy in so many ways and that made me happy. John has a special place in my heart and has been an integral part of my life. Also, he has been a blessing to my own family. He will be missed very much. Every time I see a sail boat, I think of him.

“ With deepest sympathy for John and his family.

I have many fond memories with John. He was a very innovative man, and was able to quickly envision complex molds and machinery designs. He was also generous with his time in teaching and sharing his knowledge with apprentices and other employees of Dun-Rite Industries.

While I had not seen him often in recent years, I stayed in touch with him for a many years after he retired from Dun-Rite and stopped in to see him a number of times in Loch Erin. He was always on the move, traveling and pursuing diverse hobbies.

I always got a kick out of his home he built in Loch Erin where he designed and crafted special raised panels for his garage door of embossed 4-leaf clovers all across the length of the panels. He had done the same thing for the home he had in Toledo. It was another testimony of John's personality.. Just as he did in his company, he was always willing to put in the extra effort and time to make the job right, and to have the final product exude a high level of craftsmanship.

He will be missed, but his passion for doing a job "right" is instilled in the scores of tradesmen he and my father trained over their 30+ years as owners of Dun-Rite Industries that will undoubtedly be passed on again and again through the ages.

An honest man, a class act.##imported-begin##Jeff Szkutnik Jmszkutnik@bex.net##imported-end##
