“ Mr. McGurk (always that to me) was one of the most genuine people I'd ever known. I met him freshman year after becoming friends with Tony at SJ. He would always welcome you into his home whether it be south Toledo or the lake. I got to know him again through my work later in life, and I am blessed to have had the opportunity to reconnect with him. I'm saddened for the family as they mourn his passing. May he Rest In Peace. The world lost a great human being.

“ *To the McGurk family, My husband John "Jack" Sattler was a friend in school and then at work at Ohio Bell. They golfed together as well as worked together in some capacity. In fact, Jack introduced me to my Jack. When we had our son John, Jack and Rosemary had their son John. When the boys were toddlers we used to get together occasionally at our house and the boys would have fun in our pool. Then we were transferred to Denver for 3 years but it turned out we stayed here. We stayed in touch at holiday time and sometimes when we were in town we would visit. The two Jacks always seemed to have a way with all of us and make us laugh at their funny antics. Jack was a good man and I enjoyed both Jack and Rosemary. He is with her now and looking at all of you and are very proud of you and your families. My deepest and sincere sympathy to your family. God Bless you all. Janice Sattler*

“ Jack is one of the rare individuals who made others around him better people through his warmth, and genial way of remembering individual items about those he came in contact with. He seemed to have a friendly, familiar banter with each individual in our golf league of "Old Phonies". Notably, most of these old crusty individuals can't remember their own name, but Jack could. Even when ailments curtailed his golfing, we wanted him around because of who he is. He will be missed.

“ *Jack was one of those people that would make you smile anytime you were around him. I would enjoy talking to him and hearing stories of his life...whether it be about his golf game or his Army days and meeting Elvis! Such great memories and such a great guy. He and Rosemary raised three great sons who I consider family. I wish I could have got one more golf round in with you. I will miss you!*

“ *I have so many fond memories I could share, but some of my most favorite memories of Jack were on the road trips out to Nebraska with Tony, Bill, Jack and RoseMary. It's hard recalling memories where I've laughed so much then on these trips. I always looked forward to going up to the lake and hanging out on the pontoon. Even that "issue" on the back of the pontoon that he never let me forget! Nor would he let me pay to have it fixed, as I offered at least 50 times! I was both lucky and honored to have gotten to know Jack as closely as I did and truly loved hearing his Army stories and his love for his family. You will be greatly missed sir!*

“ Our heartfelt condolences to the entire McGurk family. Every time our family visited Toledo, Jack and Rosemary would always make us feel welcome and seemed genuinely happy to see us. Jack would have lengthy and interesting conversations with me, his much younger cousin, that always gave me the sense he truly appreciated the talks we had. I admired him very much. Our entire family will treasure the memory of the many visits we enjoyed and feel an emptiness with his passing. May God bless him and all of his family. All of our love.
