“ John, Cindy & Daniel,
May you all be comforted knowing that so many of us observed your love for Johnny through the years. Some of us would call it courage. Most likely, you all would call it, "Just what we have to do." May Jesus extend His hand of comfort, healing and Divine love to you for all you have done.

*John, Cindy, and Danny, I was shocked and truly saddened when I saw Johnny's obituary.
May God hold you close
Comfort you gently
And carry you through.
I am so sorry for your loss.
You were great parents and I thoroughly enjoyed taking care of Johnny when he was a baby and I was able to get to know some of your family members. God bless you all and I'm here if you need anything.
