“ Ann,
Words can't express how I wish I could make this great loss more bearable. I know you were very close (a gift in itself) hold tight to all your memories, just as he cherished his of you. May you eventually find comfort in them. You were so blessed to have his love for so many years. Just as he was blessed to have your love and care. He will always be "looking" out for his little girl. All my love to you and your family, Julie & Tim

“ Karen,

Sonja and I extend our sympathy and condolences to you and the rest of the Shema family at the loss of Mr. Shema. I only had the pleasure of meeting him oncehe quickly made me feel like an old acquaintance and not a stranger. Although many will sorely miss him as a father, grandfather, uncle, or friend, I'm sure that he will continue to fulfill those rolls as he watches over you from above!

“ John and I went to Jr. High School and High School together - we have known each other for along time - he came to all of our West Tech Class Reunions - It was always a joy to see him - He always talked about his wife and children - he was so proud of you. Just wanted you to know that you are in my prayers and I will miss him.

“ My Uncle John was a man who always greeted me when I was younger with a strong hand shake that would make my knees buckle as I tried to free my poor hand away saying, " Uncle John!!" He'd say, "What's wrong?" To this day, this is probably why I still work on my hand/grip strength.
But my Uncle John was also a great man, among a carefully hand-picked group of others, whom made an big impression upon me. As I continue to get older, I always have him and the others on my mind of men whom I do not want to disappoint.

Awww, thank you David for the kind words. I remember him squeezing my hand too. In fact, I did it to my kids when they were little.
