“ I met Joey two years ago. He was a very nice guy. Always saw him helping out with snow shoveling and other tasks in the neighborhood and did it all without any expectations from his end. He even helped us move and never asked for anything in return. Joey had his demons, but he never seemed to let them carry over in his love for the area he lived in. Sad to know he is gone. Rest in peace Joey. Will miss seeing you around the southend. Craig Wolf

“ *I was so sorry to hear of Joey's death. I was Joey's freshman English teacher and a friend of many of the Mettlers. I know how close the family is and how hard it will be for them to cope with this loss. I always liked Joey. He was always kind and never gave his English teacher a hard time. May he rest in peace.*
