“ Tuma Family: May you each be comforted at this most difficult time. Although it was a long, long time ago, I have fond memories of Mr. Tuma and being at your house on Robinwood. I was just a kid, but he impressed me as a larger than life character. He always impressed me as being the strong yet gentle type. Us kids felt safe around him, but we also knew we were to respect him and his stuff. Especially his exquisite, wooden roll-top desk in the livingroom which we weren't allowed to touch, yet it fascinated me. God Bless each of you. With sympathy, Linda (Brazzill) Langston

“ *It is never easy to lose a parent. I know you will grieve for a long time to come. Just know that you are in our thoughts and prayers not just today but in the days to come. I am but a phone call away. One thing that amazed me about Joe, he may not have seen me often but he always remembered me and was such a kind and gentleman. My God bless each of you during this painful time. Know that God is with you lean of him. Cry if you need to. Laugh at the funny things that he use to do. Remember the memories that you have are yours and yours alone and at no time can any take them away from you. Cherish each and everyone of them. Love and sympathy to all of you. The Pack Family.*
