Tribute Wall

“ I was saddened to read of Josephine's passing. Although I had not seen her in many years, I always thought of her fondly every April 1st. Josephine was one of the strongest women I have ever met. She was brutally honest and had a heart much larger than her small frame.

You have my deepest sympathy.##imported-begin##Johnetta Turner McCollough##imported-end##

“ To the whole family we offer our condolences and sympathy. Josephine is in a better place now and her suffering is over. I remember the little that was always full of life and always ready to feed Barb and all her friends. She was such a good cook. She will be missed.
