“ *THE ONE WE ALL LOVE JOYCE[HERRERA]GAYTAN You mean the world to so many
The memories in our hearts we hold plenty
You were our guidance and joy that meant so much,
You would wipe our tears when we were sad, and give us your magic touch
The lord came down and said it was your time
He called you home so your love could shine.
You struggled and battled to stay with us
He took our angel, one he could trust.
To sit by His throne and watch over us
All the while we know that one day we
ll see your beautiful smile again
Until then we all sit here with sadness in our hearts.
Till the day we meet again you take our love with you,
and with the Lord a new life you begin.*

“ My sincere condolences go out to the entire family. I had the pleasure of knowing this amazing woman for many years. Over that time, I got to see her share her caring and generous nature with many people. She was always there to listen, teach and give her own special support. Her presence is missed, but, her Angel will be welcomed. Thank Joyce for caring- I have always loved you- Lisa Guenther-McCoy###imported-begin###Lisa Guenther-McCoy###imported-end##

“ I am very grateful that I had the opportunity to have mom live with me the past year. She meant so much to me and molded me into the woman that I am. I love her very much and she will be greatly missed. We have had great times and wonderful trips together, moments that I will treasure always. I look around and see my large family all my brothers, sisters, nieces, nephews, and am amazed it all came from her! She was one in a million and the best mom in the world. I love you mom and will miss you dearly. I know in my heart you are at peace and with all those who have gone before you. Like Ricco said Jesus wanted tamales so he called mom home to make them. We Love You Always Michelle & Celeste.##imported-begin##Michelle and Celeste Mgaytan175@yahoo.com##imported-end##
