“ Aunt Janice your gonna be missed by so many. She was such a beautiful woman, so filled with love and admiration. As far as memories of my dear sweet Tià. There are hundreds of thousands of memories. One sticks out is once when I was younger I asked her why didn't she have any children and she replied why? When I have all my beautiful nieces & nephews. I later in life understood. Cause I had no children, but loved and treated all my nieces & nephews like they were my own.. I love you Tià and may the Angels carry you home. RIP and RIH
