

Judith Ann McBride

January 13, 1940 - December 23, 2019

Judith A. McBride

Judith A. McBride passed away unexpectedly on Monday December 23, 2019 at her home in

Perrysburg, OH. Judy, as she preferred to be called, was 79 years old. Judy was born on

January 13, 1940 in Lafayette, Indiana to Charles and Louise Lamb. There she was raised with her two younger sisters by her mother. Judy was a beautiful shy girl who graduated from Jefferson High School. She worked as a data entry specialist at Purdue University where she also attended some classes. Here she met her husband, Jerome, who caught her eye “because he came in with a lit cigarette behind his ear” needing help with his data punch card. He preceded her in death in 2006.

Judy and Jerry were married on June 3, 1967 in Lafayette, IN at St. Mary’s Cathedral. They

moved to the Bronx, NY, where Jerry was born and raised. They soon moved to Hastings, NY

after the birth of their first daughter, Joelle Angela. They were blessed again with their second daughter Julie Ann.

The family moved to Worthington, OH in 1973 where they resided for six years. Here Judy

made several dear friends, especially Fina Kroenberg. She and her husband became actively

involved in neighborhood events, hosting pool parties at their home for friends and family, and enjoying a monthly gourmet cooking club. Judy was dedicated to being at home and raising her daughters, volunteering in their Campfire Girl Troops, and she was the leader of Julie's group.

She enjoyed the troop trips to Camp Wyandot with both daughters, and here is when her love of crafts and creativity blossomed. Judy and Jerry, as well as several of their neighborhood friends learned to disco, and Judy even tried out golfing.

In 1979, the family moved to Mansfield, OH. Her confidence was growing, and she quickly

joined a variety of clubs, a bowling league, and met another dear friend Sharon Gildee. Judy and Jerry enjoyed hosting monthly dinner parties, and attending shows and musicals at the local theatre. Judy especially loved seeing the Lettermen and Bobby Vinton perform there. Her love of crafting continued, and here she learned to do stained glass art work and created many beautiful pieces.

Jerry was recruited at Marist College in Poughkeepsie, NY, in 1983. Judy remained in

Mansfield with her daughters while he traveled back and forth and they looked for a home. The family moved in 1984, and Judy stayed at home to help Joelle make the difficult transition with the move. She later took a full-time job as a Computer Specialist at Spackenkill High School in Poughkeepsie, NY. She remained here until she retired in January, 2006. Judy made many wonderful friends at Spackenkill, and she positively impacted a multitude of students she assisted there. While in Poughkeepsie, Judy pursued a certificate in Graphic Design at Marist College and she took many courses to learn about computer software programs. Judy was the Treasurer of the Teachers' Union, and she was active in a variety of community activities and events.

In 2006, Judy moved to Perrysburg, OH to live near both of her daughters and her

grandchildren. She and her husband designed their own home here. Judy lost her husband

very unexpectedly five months after they moved to Ohio. She spent the majority of her time with Joelle and her husband Ted Floriana, and their two children Cameron and Connor, as well as with Julie Stepp and Joel LeCaptain and her children Nicole and Nathan. Judy adored her grandchildren and cherished watching them grow-up, seeing them at their sporting events, and being able to attend their school programs and concerts. She would generously support and donate to their every event, and she was their biggest supporter even if she could not always be there physically she was always with them in spirit. She always wanted to have her grandkids at her home for meals, visits, holidays, and anytime she could. She loved their tradition of the four of them coming over each year to help her put up her Christmas tree, then they watched a movie together, the kids built forts, slept over, and decorated cookies with her. Throughout the years she had many special individual times and visits with each grandchild that were very special memories for her. She had the pleasure of having her four grandchildren with her the Friday before she died putting up her tree and enjoying their company and conversations. Judy

did the same with her daughters—such as preparing Thanksgiving dinner with Joelle, and

having weekly Sunday evening dinners with Julie and her family.

Judy leaves behind her two sisters Mary Lou Fadely (Robert) and Patricia Conquest (Douglas) of Georgetown, TX. Judy loved and adored her sisters and brother-in-laws. Though she and Mary Lou would fight as children, Mary Lou often hiding in the corn field from Judy until their mom came home from work, they developed a deep loving bond and friendship—especially after Mary Lou married Bob. The moment her sister Pat was born she was smitten and has always loved her and cherished their relationship. When traveling to TX, Judy enjoyed cooking with Pat and playing Words With Friends.

Judy loved becoming an aunt when Mary Lou and Bob had their son Steve. She truly adored him and they had a wonderful relationship. When Steve married Helen she was overjoyed for both of them. Aunt Judy aka "AJ" was over the moon when they had their son Will. She was completely devastated when Steve died in 2003 while Helen was pregnant with their beautiful daughter Peyton. Judy was so happy to learn that Helen had met someone and married Jay Balluer. When Judy was first introduced to Jay they immediately clicked and she instantly loved him as one of her own. Soon AJ had another wonderful great-niece-Sara. When Pat and Doug had their boys Drew and Evan, Judy was ecstatic. She loved her relationship with both of her nephews over the years. When Evan married Jessica, Judy so enjoyed the wedding, especially because all of her family was there, including her dear mother whom she loved so much. She adored Jess, and loved her great niece Sloan and her great nephew Lincoln. She was so happy to have been in Texas each year to meet them and see them grow. Although Judy was unable to attend Drew's wedding to Sarah, she was so pleased to see him so happy. A year later she was able to meet Sarah and their son Alexander shortly after he was born.

Judy was also very close to her in-laws who preceded her in death. Her mother-in-law Laura, sister-in-law Ethel, Brother-in-law Fred. She remained close to her sister-in-law Theresa (Fred) until her passing, and her niece Maureen. She leaves behind many other nieces and nephews, as well as great nieces and nephews.

Judy was well known and loved for her infectious laugh, beautiful smile, wonderful sense of humor, loving kindness, unending generosity, and warm heart. She loved to laugh, tell jokes, tease, and just be "ornery" as she would say. Judy enjoyed art, reading, computer games, gadgets, listening to music,

watching her favorite movies, and feeding her birds. She was an avid fan of Jeopardy and The Ellen Show. She always said that since 2001 her main interest was her grandchildren. Judy was a wonderful daughter, exceptional sister, hard worker, faithful wife, loving mother, creative artist, amazing friend, outstanding aunt, awesome grandmother, and a compassionate member of the community wherever she was. She touched the lives of many and will never be forgotten.

Judy said her greatest achievements were her daughters. She loved Ted and Joel as sons.

Mom- our hearts are heavy and broken-especially with how we lost you. You were truly Gold

Mom—one of a kind. But we know you are now up in Heaven with God in His loving arms

eternally at peace healed in body, mind, and spirit. You are there with Dad, Grammy, Steve, Grandma, Ethel—the rest of the Bumbleburg and McBride family and all of the other loved ones each of us have lost— having a grand party up there until it is our time to join you. We miss you terribly and love you always.

Services will be held at Coyle Funeral Home on Friday January 3, 2020.

Visitation will be from 9-11 a.m. A prayer will occur from 11 a.m. -12 p.m. An Interment Service will follow at St. Rose Cemetery in Perrysburg, OH. “ Jim and I are so sorry to hear of Judy’s passing. We lived directly across from her on Hidden Ridge from 2010-2018. I loved her wit, honesty, and strong convictions. Jim would walk our dog around her pond, and Judy would laugh because our dog would run with Jim running behind. As steadfast Michigan State University fans, we appreciated her love for Purdue and Ohio State. Judy was so thoughtful to send food over to us when we lost our son in 2014. She was truly an honorable person. Our sympathies to her children and grandchildren.

“ I’m so sorry for your loss and hate that we weren’t able to get together with Judy when we were up that way this past summer. I’ll always remember our visits to Lafayette growing up and the impression Judy made on me. She always seemed to me to be the life of the party kinda gal, not taking anything away from Mary Lou and Pat 🙏 I really enjoyed the memorial video you’ve put together looks like there’s lots of memories to cherish.

“ Dear Joelle and Julie:

Our J4.....always....

Mom, Michael, Denise and I all very fondly remember both your parents. The family gatherings as kids and the reunions hold special memories and good times for all of us. We remember always feeling welcome and your parents were both gracious and fun. Your mom in particular always had a twinkle of mischievous charm, a happy smile, laughter and lively conversation. We can still hear her laughter today and it brings back great memories. Mike and Denise remember swimming in your pool and we all remember the gourmet meals. Some things never change....our palettes will never be as sophisticated or worldly as your family! We're still the same meat and potatoes family, with a splash of fish thrown in for mom! I will remember years of back and forth with your mom on vintage plastic lips in the late 70's and 80's. Somehow we both found great humor in that silly trend and shared a lot of prank gifts and laughs about it. Several years ago, your mom connected with Janie McBride - a relative we had never met, and for me, had only seen in a photograph at my parents wedding when she was a teenager. Because of the connection, I was able to meet Janie and her husband Michael while in London. This would never have happened without your mom's tenacity and curious mind. She likely has history still to be uncovered and I'm thrilled that she was so steadfast in her research. She connected family that never expected to be connected - something I cherish and will never forget.

Our family in heaven has gathered another soul - and we will miss her. We send our deepest sympathies to Judy's siblings and their families as well. Our hearts will be with you tomorrow as you say goodbye to your mom. May she rest in peace.

With lots of love,

Teresa, Maureen, Michael, Denise & Chelsea

“ I am a friend of Mary Lou, one of Judy’s younger sisters. We weren’t around Judy much growing up. I have gotten to know her in the last 7 or 8 years through Facebook. We “chatted” all the time. It was fun and a good way to always know how Mary Lou was doing. Sincere sympathy to her family. She will be missed. May she Rest In Peace.

“ To the loving family of Judy McBride,

I was privileged to know Judy while being a student at Spackenkill high school. I enjoyed many days of “Christmas story “trivia where Judy would test me on how much I knew about Ralphie and his family . Judy also made sure I knew how to use my computer properly while doing accounting as I was better with a hammer than a computer. Judy had found out I wanted to start my own business mowing lawns and doing odd jobs so she hired me before I even graduated high school and she and Jerry both constantly had work for me around the house. Those days helped me to become an honest worker with good ideals. I am forever grateful for the wisdom and kindness Judy and Jerry passed on to me and will never forget what they taught me. I am a school bus driver now and pass Judys old room where she taught me and will make sure her memory lives on every time I drop off kids in front of the high school. I am truly blessed to have known such a hard working, classy, funny, and honest lady!!!!

Judy I look forward to seeing you again in Glory .

*All my best to the family ,
Much respect

“ My sincere condolences to Judy's children and family. I knew Judy when we worked together at Spackenkill High School in Poughkeepsie, N.Y. She was always cheerful and greeted everyone with a smile. She brightened everyone's day, both students and teachers. Please know that your mom was a person who made an impact on everyone she met. The world needs more people like Judy. I am so sorry for your loss.

“ My deepest condolences to Judy's daughters and family. Judy and my mom, Leah, met at Purdue in the 60's and became life-long friends. I remember, as a child, the abundant laughter whenever they were together. Judy was a wonderful support to us when we lost mom 4 years ago. I cherish this picture of the two of them working at the Computing Center. May wonderful memories help ease your pain as you navigate through this heart breaking time.

“ We got to get to know Judy when she came to Texas to visit Pat. She was always so fun to see. Her humor filled the room. I'll always be grateful for her sending Pat Vanilla candles (that Pat just "loved"). That way she knew I would get a Vanilla candle too, from Pat. She was so smart knowing that one gift would get enjoyed by 2 people. We will miss you Judy!!

“ Sweet AJ. You loved fiercely and unconditionally. Always one to share your two cents, you always let me share mine right back at you. I think you secretly enjoyed those conversations the best. Thank you for never compromising who you were and what you stood for. You will be missed greatly and thought of often.

And in your words ...

"I'm a firm believer that nothing happens because of circumstance. Regardless of what was or was not said and done, this would happen. As tragic as this was and is, I believe that your mom did not die alone. She died in her savior's arms who carried her to heaven. I believe that in those last moments, they were filled with her calling out to Jesus and He was with her, holding her tight."

“ Judy was a smart, caring lady, with a great sense of humor. She was very astute and proactive while running the welfare trust for the Spackenkill support staff, and also very kind when my father passed away, bringing us food at my mother's house. My family and I all send our deepest condolences. She is missed. ❤️

“ Judy was my mother’s cousin. One of my earliest memories of her, when I was a child, was when she took out a fly from ten feet away with a rubber band. Like it was nothin’, precise and efficient. I have been in complete awe of her ever since. Her wit and logic, but mostly her beautiful laughter will be forever missed. I saw her last in 2017, when I spent the night on my way from Tennessee to Michigan. What an amazing lady.
