“ *So very sad to see this--Julie was our neighbor and she was such a wonderful woman--I would stop to talk to talk with her every time I saw her outside and during these talks I found she had been a teacher at Whitter school were I had been a student! She loved to bake and was such a character I loved to talk to her!! She will be very missed and to her family please know what a shining person your mother was---thoughts and prayers to the family.*
