“ My sympathies go out to Julie's sisters, brother, nieces, nephews, and other extended family members on her passing. I worked with Julie for many years at Eastman & Smith (we both started the same year, 1980) and it was always enjoyable being around her. She will be sorely missed by many, but most especially by her family that she held near and dear to heart.

“ I loved Julie like a sister. She was one of the best friends I ever had. She was there for me all the times I needed her most. She was giving, kind and always had empathy for others. She was funny and I will miss her laughter. Rest easy my friend. I'll miss you and always love you.
