“ I am sorry to hear about your loss. Tarp was a very loving gentleman and I cherish the time I helped him while I was in high school with track and his junior high PE classes. As my Dad always said, if I had Tarp for all my classes I would have received all A's. I enjoyed seeing him after such a long time at the benefit for Ricky. He will always be missed by all who have ever been in contact with him. Your family will be in my prayers.##imported-begin##Bev Hall Richardson##imported-end##

“ The earth is now minus one great coach. My friend Sue Pohlman told me that one day at Springfield High, some students wanted to protest and they left their science class and they all went and sat in the hallway, thinking that they were cool for doing so. All of a sudden, Tarp walked up to them and said - "Get back to class". She said they all tripped over each other, trying to get back in before he yelled again. That to me is a great teacher! You will be missed but not forgotten!###imported-begin###Debbie Lake Vasquez###imported-end##

“ To the Taormina Family - We had the great pleasure of Tarp's friendship on the infamous "gambling bus trips" . He shared with us many stories and endless poetry recitings! He made us laugh and warmed our hearts. Though we have never met any of you, we somehow feel as though we are old friends through Tarp and his stories. His "Janie" was the light of his life and he spoke with love, pride and admiration of her and his children. He will be fondly remembered and greatly missed.
