

## Kathleen Kozak

July 23, 1950 - March 21, 2025

After several years of great physical struggles and illness, Kathy passed away peacefully in the morning of March 21st. Kathy will be remembered for many things, but most prominently was her love for animals. She loved her farm and the many animals for which she provided a loving home. Kathy was past president of Planned Pethood and involved in many other initiatives to rescue cats and foster various animals as they waited for their forever home. From horses to birds, she had them all. She respected nature and all Gods creatures. She captured their beauty in the many paintings she created. Kathy loved to read and write poetry, baking and gardening. When she took up a new passion or interest , she was "all in". Kathy's life these past couple years has not been easy. She missed her farm and mourned the loss of family members and her animal "kids". She yearned to be out of pain and to have peace. God blessed us with her in our lives and he blessed her by taking her home. The reunion with her parents and other family and all of her animals must have been glorious. She now has the peace she longed for..

There will be a Memorial Mass held at St. Hyacinth Church on Monday, March 31 at 10:30 a.m., with an hour of visitation beginning at 9:30 a.m. Interment will be at Calvary Cemetery with Kathy's parents. Coyle Funeral Home is assisting the family with arrangements. Please share a condolence message at [CoyleFunrealHome.com](http://CoyleFunrealHome.com).

"A Train is a comin' "

People get ready

There's a train a-coming

You don't need no baggage

You just get on board

All you need is faith

To hear the diesels humming

Don't need no ticket

You just thank the Lord

“ *I'm so sorry for your loss. I have known Kathy for years. Way back to when she had Cody and boarded him at Half Halt Stables. I will always remember her love of all animals and her keen observations. She was a blessing to all the animals she helped. We seemed to cross paths every few years (I was a member of Planned Pethood too) and I would see her frequently at the Antique Mall when I had a booth there. She was a dear, sweet and compassionate lady who made the world a better place! Shelley Luettk* ”

“ So thankful I got to know you thru Planned Pethood. I loved your dedication, sense of humor and passion. I'll cherish my memories with you. I can't imagine the greeting you got but know you are smiling from ear to ear and laughing with your family and fur babies. I'm smiling at that image. Rest in Peace my friend.
