

Kathleen F. Scott

September 26, 1952 - November 6, 2015

The world has lost a beautiful spirit. On Friday, November 6, Kathleen F. Scott passed away after a short illness while surrounded by those who loved her most. Known to her friends as Kathy, few could light up a room as easily as she, with her radiant smile, her ready laugh, and her thoughtful nature. She lived to light up others with joy.

A loving wife, devoted mother and doting grandmother, Kathy was as selfless an individual as they come. Always putting the needs of others before her own, she gave of herself freely and touched many, many lives and hearts in the process.

She retired from her other great love, teaching Literature at the Toledo School for the Arts, in 2013. Beloved by her students, her room was known to them as a “safe house” where they could come to her with the burdens and concerns of adolescence and always find a compassionate and willing listener.

Kathy was an intelligent woman, with a creative spirit. She was a lover of words, of books and poetry, a passion she infused in her daughter and her granddaughter as well.

She was born in Toledo, Ohio, on September 26, 1952, to Edward and Stephanie Kolacki. On September 26, 1989, she married the love of her life, Michael W. Scott, whom she is survived by, along with her daughter, Meaghan Morelli-Chiappetta (John Chiappetta); her much adored grandchildren, Olivia and Luca; her loving sister, Patricia Alexander; her dear cousin, Bonnie

Krochmalny; and her beloved dogs, Merry and Sunny.

Kathy was lifelong lover of dogs. Any donations should be made in her name to the Toledo Humane Society.

Family and friends may visit at the Coyle Funeral Home, 1770 S. Reynolds Rd. on Tuesday, November 10, from 2:00 pm. to 8:00 p.m. Funeral services will be held on Wednesday beginning at 10:00 am in the mortuary.

“ *Words can not even begin to express how much I will miss you Aunt Kathy... You did so much for me over the years and I am a better person because of you... You have been there during good times and bad... I loved having you there when I graduated nursing school... I love you forever... I'll always think of you when I hear Tracy Chapman song... Love you... Rest in peace*

“ *As a former student of Ms Scott's, very sad to hear of her passing. I took a senior english class with her and I remember she had an amazing ability to take heavy, dense books and topics and present them in a way that was both engaging and informative. Sad the future generations of TSA students won't have the same wonderful experience with her that I was fortunate to have.*

“ In keeping with Kathy's passion and talent for literature, it is only appropriate we speak of Kathy metaphorically. When we think of Kathy, the word which most describes her is HEART! She was all heart, all the time, with every person. She was a true giver in life and always put other before herself. Kathy did not have the word "no" in her vocabulary. She was the epitome of "saintliness" on earth. She was such a gentle and kind soul; always with a loving, warm smile. Kathy was truly a Heavenly Angel shared by God to model and gift us with love in its purest form. She will be missed by all who knew her as we all loved her!
