“ Dear Geoff & family, Just heard about Kathy's passing. I'm so sorry. We worked together at Xerox, right next to each other. When I retired 5 years ago she said she thought I was going to wait for her and we would retire together. She was so proud of her boys, we would often speak about them and how they were doing. She was one of the nicest people I had the pleasure of knowing and working with. She will truly be missed not only by her family, but all who knew her.##imported-begin##Barbara J.
