“ *It's not going to be the same without her. I have a lot of good memories of Aunt Katie. She never was at a loss for words. Time spent with her was never boring. I'm going to miss going out to the movies then going out to eat afterwards. I'm going to miss her humor and her love for music. Aretha Franklin's "Respect" was one of her all time favorites. I have always, and always will, think of her when I hear that song. I'll miss her sweet kisses that greeted everyone at her door and before leaving. That ol' book of matches she always held in her hand. Her lipstick always on point. She will always hold a special place in my heart. I'm going to miss her so much. Time for you to rest now Aunt Katie. I'll see you on the other side. I Love You.*
