“ Aunt Kathy, I love you and I will miss you but never forget! You always had a smile on your face-Such a beautiful one :) Though we didn't see eachother on a daily basis, it never seemed that way. You always made me feel welcomed. Life can be so ironic. I love you Uncle John, Jodi, Kel and Tim!###imported-begin##Mandi Moyer###imported-end##

“ Kathy,  
Words can't decribe all the gratitude I owe you. Most of my fondest memories were with you, John and the kids. You were not just my sister in law, more like my sister. I knew from the first time John introduced us to you that you and John were meant to be together and that you were going to be life long mates. Your strength as a woman and a mother was very admirable and always amazed me. You've touched so many lives and for that we are all better people. In the words of Celine Dion's song..."I'm everything I am because you loved me" I couldn't say any better... You are sorely missed already...I'll look to you now as our own personal angel...Please watch over us all, as I will always be looking for you in everything I do. Love Sharon.###imported-begin##Sharon###imported-end##

“ *"The Broken Chain"*

*Little did we know that evening that God was going to call your name. In life we loved you dearly, in death we'll do the same. It broke our hearts to lose you, while you did not go alone; for a part of us went with you the God called you home. You left us peaceful memories, your love is still our guide; and though we cannot see you, you are always at our side. Our family chain is broken, and nothing seems the same, but as God calls us one by one, the Chain will link again....Love you Kath....##imported-begin##Sharon##imported-end##*
