March 12, 1999 - May 16, 2015

Keegan Christopher Perry, age 16 of Perrysburg passed away on May 16, 2015.

“ *I can't believe that tomorrow my big brother Keegan will be gone for more than a year. He was an amazing brother and he was always there and he could do anything. He taught me a lot of what I know. He would do anything for me just like I would do anything for him. So this year might be hard to get through, but he is in our hearts and he won't let anything happen to us. I will be turning 12 in July and he is already 18 so I'm about 6 years younger than him. I will not see what a handsome man he will grow up to be, but I want to. Love you Keegan!* ”

“ I met Keegan when he was a small boy, and I became one of his fathers' first patients. Chris and Theresa became very good friends which allowed me the pleasure of watching Keegan become the wonderful and talented young man we all love. I take great pride in sharing Keegan's many accomplishments. From building ramps to jump his bike in the drive, to his excellent musical talent. I don't think he ever skinned a knee playing guitar. I will miss him greatly; there is now a hole in my soul.
