“ Kelli, I will miss you so much more and more with every day that passes. Our lives are forever changed without you. You were the most generous person I knew and you had such a loving heart. The things I will miss the most are us having our late morning coffee while sitting at my dining room table just talking about everything, laughing at the dumbest things and all the inside jokes we had, you calling me about 1 simple thing and us ending up talking on the phone for 2 hours . You were the best friend I've had in a long time. You never judged and always loved with your whole heart. I'll miss your crazy laugh, your witty comebacks and your beautiful spirit! Though you are gone, you will NEVER be forgotten! I love you my sister ❤️

Always,  
Ash

“ To the DeSilvis family, I am so sorry, please know that Kelli was loved by many, she had the best laugh and was pretty fast with her comebacks. We use to have so much fun, I wish we did not let separation distant our relationship. We had a lot in common. Kelli was funny, loving, compassionate, Kelli will be missed deeply. I love her.

Love,
