

Kelly Renee Thomas

August 27, 1981 - November 11, 2016

Kelly Renee Thomas, a beautiful spirit with a light that very few have, died 11/11/2016. Embedded forever in my soul...the presence of her absence will be everywhere. My daughter, my confidant and my best friend. 35 years of memories that will last a lifetime. Peace at last "my girl"...

“ *I am having difficulty finding the words as much as I try. I never thought you would step across Heaven's shore so soon. You've touched my life, and I know I will never be the same. Know we miss you terribly, and we wish Heaven had visiting hours. We are just a step behind, and some day we will see you again face to face. Goodbye, my friend for now !!!* ”

“ God plucked a beautiful flower, no more suffering. I will remember her smile and how artistic she was, she left us all with a picture. She's home at last surrounded with peace and love. I pray she can be a Angel for her mother Brenda. Rest In Peace
