“ Dear Marianne: Perhaps you do not remember me, but I remember you very well and how active you were in our Class of 1962. I have movies of your interpretation of Jane Eyre. I was behind the scenes with Lynda Botte.. It was wonderful.. Although I only spent one year at Mc Auley High School I have very fond memories of how nice and helpful you and all the classmates were to me. Coming from Lima, Peru I really did not know what to expect. . I will never forget my year at McAuley H,S,
I wish to extend to you and your family my deepest sympathy and condolences. I have been through several loses in the past years, mainly my father and my Aunt Laura who raised us and my grandmother..., so I know your sorrow and sadness.
I will keep you and your family in my prayers at Mass tomorrow.
May God grant your dear mother eternal rest and may the perpetual light shine on her soul.
With love and caring.

“ John, Donald and I were sitting around the table talking about some of our memories. Donald remembers the yummy cinnamon rolls and other baked goods mom would make. I told them about mom's garden when we lived in Swanton and how she would can goodies for the winter and make her own pickles in pickle crocks in the garage. John told about the time they thought Jessie their dog swallowed her teeth and had to have Jessie x-rayed.

Mom loved her grandson Alec! The sun rose and set on her time with him. Mom also was a friend to many in Luther Woods where she lived. She liked to share her tongue in cheek laughter. She was there to help us three kids when needed and in turn Donald and John was a big help to her in Toledo.

I have attached a picture taken of her and her brother many years ago showing her natural beauty.

God grant us the Serenity to accept the things we can not change, the Courage to change the things we can, and the Wisdom to know the difference.
