“ Dear Lupica family, I was deeply saddened when I saw that Lauri was called away so early in her life. Memories of her and her sisters in our early childhoods, playing together in Billians back yard began to gather in my mind. The good times, when we would run into each other at school, reunions or work, will never be lost in my mind. I want to send to Lauri`s sisters and family, my love and prayers through this sad time.
