“ Well, where to begin! Larry what a wonderful crazy loving man. I first met Larry when he would bring Betty to the salon to get her hair done. I had the opportunity to hear all the wonderful stories of his family. The loves, the laughs and the tears! Mostly laughs cause Larry was a card! Boy he sure loved his Rysia she was his sunshine, that little girl came along and the sea's parted. And boy what a testament of love for a man to stand by his wife and take care of her the way he did. Drive her across town on the days the snow would be flying just so she could feel beautiful. Larry you will be missed and Betty I wish I was their to give you a great big hug, I hope someone gets you this message. All you crazy kids take care of your momma she will need ya. Love you all Josie##imported-begin##Josie (Dodds) Schell doddsjosie@yahoo.com##imported-end##

“ *To the whole Duszynski Family:  
I just want to express how much I'm going to miss seeing your Dad out in the yard, always taking care of things and making them look great. He always had a smile on his face. He was one of the happiest people I knew. He will be missed in the neighborhood. I'll never forget the gold bike and the way he loved to go golfing. He really loved life. Mrs. D, please accept my sympathy.##imported-begin##Stacy Noel Simpson snoel34@aol.com##imported-end##*
