

Lawrence Clark Ostrowski

April 26, 1954 - October 7, 2019

Lawrence C. Ostrowski

Larry Ostrowski, an energetic and passionate librarian and library director, died peacefully at his home following a long, painful fight with Multiple System Atrophy. He had just turned 65. A native of Erie, PA, Larry earned a BA in History from Penn State University and a Masters in Library Science at the University of Pittsburgh. He began his professional career at Toledo Lucas County Public Library, where he met and married his co-worker, Margaret Daly. Larry served in the Business Department at Main Library and as assistant manager at Kent Branch.

Larry's career in libraries took him to Oshkosh, WI, South Bend, IN, Lancaster, Xenia in Ohio, and finally to White Lake, MI where he served as director for 10 years. Illness forced him into early retirement, shortly after tirelessly leading a campaign to successfully pass a tax levy that enabled the community to build a badly needed new library building.

As he left each post to take a promotion somewhere else, his staff would express their regret at losing such a vibrant leader, who inspired them with enthusiasm and kindness. He was especially beloved for his staff training sessions, where the teaching was often conducted by one of his "characters", from Conan the Librarian and Sargent Serial to Laptop Larry and Forest Gump-at-the-Library.

Community Service was always a part of Larry's ethic; he involved himself with Rotary Club, the local Historical Society, Optimist Clubs and Athletic

Boosters for the High School in whatever town he found himself, participating in many children's civic and library activities, delighting all with his balloon animals. He and Margaret were active in young adult Youth Ministry in every parish to which they belonged over the years, and in White Lake, Larry volunteered to chair the annual Christmas tree lighting event. With the Historical Society of White Lake he became well known for the authentic Civil War battlefield displays he created. And he was especially proud of the several years he devoted to training to become an Auxiliary officer for the White Lake Fire Department. Always a strong and athletic man, Larry was accepted as a fire trainee over many younger men.

In addition to his wife Margaret, Larry is survived by his sister Laura Pomykalski (James) and her children Elizabeth, Stephen and Andrew Pomykalski. He was predeceased by his parents, Raymond and Vera Ostrowski and paternal grandmother, Sophie Ostrowski. His loss will also be felt by his many Daly Family nieces and nephews, as well as all his brothers and sisters-in-law.

Visitation will be held at the Coyle Funeral Home, 1770 S. Reynolds Rd. on Wednesday, October 9, 2019 from 2:00 pm to 8:00 pm, where the Rosary will be recited at 7:00 p.m. Funeral Services will be held on Thursday, October 10 beginning at 10:15 a.m. in the mortuary followed by the funeral mass at Our Queen of the Most Holy Rosary Cathedral at 11:00. Burial will be private. Memorial donations may be given to the Friends of the White Lake Public Library or to the White Lake Fire Department, or Ohio Health Hospice, 1020 Cricket Lane, Mansfield, OH 44906. Please view Larry's memorial video tribute and leave a condolence message at CoyleFuneralHome.com.

“ I was diagnosed of MSA disease in 2021 but my first symptoms occurred in 2019.. I had severe symptoms ranging from tremors, trouble walking, Stiff muscles whole body weakness, rigidity and stiffness. I was given medications which helped but only for a short period of time, so I decided to try alternative measures and began MSA-5 treatment program from Aknniherbs Center (Visit aknniherbscentre.com). This treatment program has made a huge difference for me, I had improved with walking, balance, tremors, increased appetite, no stiffness or rigidity. I am so very thankful

It's great that you found a place that could help you! Unfortunately it was too late for Larry, the love of my life. Thanks for the information.

“ Larry was a kind & caring soul. He always made a point of attending my constituent coffees when I was a state rep. He would mostly just listen to the issues & to other people talking. It is a truly smart person who listens rather than talks. Larry was that kind of person. I wish we had more like him!

Eileen, Thank you so much for the kind words and the card. He saw that you were genuine and had integrity - that's what drew him to the politicians in the area. He worked with all of you with passion for libraries.

“ I remember working with Larry at the SJCP Library and noting that he was a super nice guy. A very talented librarian and was a hoot playing the part of Forest Gump at staff meetings. I know that he and his many talents will be missed by the many who've known him.

Luanne - Thank you so much for the kind words about Larry, I knew how much he fought for the underdog like Forrest Gump - that's why I put the theme song on his video.

“ Dear Margaret,
So very sorry ... His life is now in heaven, but will be so missed here.
After everything settles a little I hope you can make it up to White Lake and Holy Spirit for a visit. And see the Library Larry so tirelessly worked for. It is a beautiful place, one I read in and do my paperwork in and each time I enter think of him and pray for you both.
In Christ

“ *Barb and I were shocked to see Larry's Obituary in this morning's paper. I remember all the times Larry was so helpful and encouraging to me in dealing with building projects and District library meetings. His energy, good spirits, and ideas always made my job easier. Even though we have not been in close contact for a while, I still feel like I have lost a great friend. The library world has lost a wonderful ambassador. Our condolences to you, Margaret.*

I worked with Larry in 1976 at the Erie Public Library in Pennsylvania. Larry was a Reference clerk and I was a clerk in the Children's Room. We went to Canada one time to buy a pair of Puma running shoes and Larry took me for my driving test. My department co-workers had a small going-away party for him. We were work friends and I always thought of Larry fondly since he left Erie.

*Christine,
Thank you so much for sharing your memories of Larry prior to meeting me in 1977 in Toledo. It's great to know he had good friends in his home town. His mother also died this year just to let you know. Thanks again for sharing your memories.

“ *Larry and Margaret lived behind me in White Lake. They put a lot of energy into fixing up the house after they bought it. It was a great upgrade for the neighborhood. They were wonderful neighbors. Larry did so much for the White Lake Township Library. My thoughts and prayers are with you Margaret.*

“ Larry was very special to all of us in the White Lake Historical Society. You could always count on him to jump right in and volunteer. There are just not enough positive adjectives in the dictionary to describe this beloved gentleman. I am sure he will remain a role model for all who ever had the opportunity to meet him. God bless you Margaret as I truly know what a tremendous loss this is for you.

Love and prayers,
