

Leona Ann Treter

October 20, 1920 - February 4, 2018

Leona Ann (Ozarak) Treter, age 97, went to meet her maker and reunite with her beloved husband Ernie on Feb. 4, 2018 after a short illness.

She and Ernie raised their 5 children in Toledo but vacationed every summer for 3 weeks in Traverse City, Michigan, where they later retired.

Her favorite time of year was Christmas which she always made magical. Her love of cooking and baking and talent for it would truly shine that time of year.

She also was involved in volunteer work which included Little Sisters of the Poor, past president of OLPH Altar Society and Mercy Guild, but of all her accomplishments nothing was more important than being involved with her children, grandchildren and great grandchildren.

Her husband Ernest Treter preceded her in death as did her great grandchildren Ruby and Louie Treter and Harrison Mack.

Surviving are her children John (Leslie) Treter, Karen (Charlie) Kaufman, Doug (MaryLee) Treter, Ann (Robert) Schmalzried, Terri (Pam) Treter; 16 grandchildren and 30 great grandchildren.

Services will be held at Saint Joan of Arc Church on Friday, February 9, 2018 at 11:30 a.m. with visitation from 9:30 to 11:30 before the service. A Rosary Service will be at 11:00 at the church. Entombment will be at Resurrection Cemetery. Coyle Funeral Home, Toledo, Ohio is assisting the family with the arrangements.

“ *Treeter Family, So sorry for your loss. Your Mom was quite the character. She was an absolutely delightful neighbor We were just laughing about story that goes back to the mid 70's. Your Mom asked Phillip to cut her lawn. He gladly obliged. She paid him 20.00. You can just imagine the conversation he had with his Father----- who was paying him 10.00. Needless to say, he got a raise! Thoughts and prayers are with all of you. Cathy and Phil Hendges-- Christine and Phillip*

“ *Dear Karen,
Though I only met your mom once, I often heard about this wonderful woman from our McAuley friends. And then in the later years when she and Mom were in the same bridge group, Mom would come home from a bridge date and share all the fun and craziness that went on, mostly instigated by your mom, and we'd laugh and laugh. Good memories. How wonderful that you were able to have her with you all these years. Best to you and your family.*

“ It's been awhile, but I feel I should write. I know my family would want me too. A long time ago my parents and the Tretters were best of friends. I know first hand what wonderful people Leona and Ernie were and what a great family they raised. As a small boy I use to spend time in their home and was always made to feel welcome. When my mother took ill Leona stepped in and deliver meals to us to make sure we had a dinner. This was the kind of woman and friend Leona was. She made the best beef rouladen I've ever had ! I got a chance about 8 years ago to reunite with Leona over the phone. She remembered me and went out of her way to make me feel comfortable as we talked. Her wonderful personality shined through as we recalled the old days and talked of experiances we both remembered. I am sorry to hear of Leona's passing, but like others I feel good knowing she is now with Ernie. They were a wonderful couple. Hopefully their having a nice chat and a couple of cocktails with my parents as they did so mant times so long ago. My condolences to all. Rest assured your parents will be remembered by a lot of people. None more so than a once small boy who recalls both your parents as wonderful, caring, family oriented people who had impact on his early life and values. God's speed to you Leona. We all know where your at and that your legacy of always helping others continues. May peace be with you all.

p.s. to Doug: Hey Doug, remember going to Tim's games and throwing buckeyes down the tubas of the opposing teams band as they marched by ? I have good memories of those Friday nights and hope you do too. Best wishes.

Please accept Sharon and my condolences on the passing of your mother. My sister, brothers and I still share many happy memories of our families together at the Sunday golf outings and the good times up at Lake Lelanau and Traverse City. “ Dear Ann (and to all of the Treter family),

I am so saddened to hear of your mother's passing. I wondered how she was doing when my own mother Leona passed away 6 years ago at age 94. Both Leonas were great women with great families. We were all part of the old Leelanau Sandy Shores cottages growing up. Your mother (and all of the Treter family) were always so kind to me and my family. Growing up during my teenage years on Lake Leelanau near your family will always hold a special place in my heart. What fun times water skiing, swimming, and attending Leona & Ernie's annual fish fry, to name a few! Several years ago, I took my mom Leona by boat by the cottages and saw your mom. She welcomed us in with her huge heart and I got to tour your family cottage, a first since I was a teenager. What fond memories came flooding back! Apples don't fall far from the tree...I now live in Suttons Bay, only 5 miles from the Lake Leelanau Narrows boat launch. I tour the lake many times each summer and always cruise by our old cottages, wondering how y'all are doing. Wishing you the best during this time of celebrating Leona's life. You have lots to be proud of. Your mother and father live on through their 51 progeny! My deepest sympathy to you all. Lots of love & friendship, Walt Kroupa (rosaslovian@charter.net)
