“ Lin was a wonderful person & I loved her very much. It's amazing that our paths crossed at all, but I am truly thankful it did. She was a light in this world & I'm sure she fulfilled her purpose which is evident through the art she left behind. Lin loved freely & she was easy to love. May god bless your family to remember the best of her & comfort your hearts at this time of transition. I know she is with the Holy Spirit and at peace.##imported-begin##Toni Gaines tonibattlegaines@gmail.com##imported-end##
