“ I got to know Louie even better in the last year. He has been a part of my life since I was 9 or 10, but being retired now I was able to see him more frequently. I will miss him, I doubt that I will ever have a Frosty from Wendy's without thinking of him. They were his favorite these past few months. I hope cherished memories will ease his families pain. He was special.....Joy & Jerry

“ There is no question that Grandpa was a man of many talents. He was a remarkable person that would help anyone at the "drop of a dime". He was the most selfless person I have had the pleasure of knowing; an exemplary model of unconditional love. I miss him dearly. There are not enough words to express the gratitude I have for everything Grandpa had done for me. What a wonderful person!
