“ (Aunt) Louise was my dad's (Warren's) only sister. Though the times I spent with her are few, they are memorable and span more than 40 years, back to a visit in the summer of 1969. I am grateful that she and Ray made the trip to NH for my wedding in 1984 and came for another visit several years later to meet both of my children. I feel fortunate that I was able to spend an afternoon with Louise during a trip through Toledo in the summer of 2012. She still lived in the same house where I had first visited her 44 years before. And, she was still sharp and witty. She even had an envelope of memorabilia about my dad to give to me. My thoughts are with Louise's family at this time. May your abundant memories of her live on.

“ We remember Louise Spitulski always smiling, & ready to visit. You didn't have to engage her in a conversation; she engaged you!! She LOVED her children and her grands!! She was not a "frumpy ole gma". She was "stylin" putting us to shame with her "spike heels"!! It was a real gift to keep her in our prayers as her journey with her family and friends started to fade.." Bon Voyage" Grandma Spitulski !! Continued prayers for those who mourn your loss with lots of Love, (((((HUGS))))), & Kisses..Aunt Karen & Uncle Bill (Brady)

“ I only met Louise once and she was quite memorable. She came to visit her daughter Barb Brady and the kids at MDA Camp wearing a pretty dress, her pearls and her high heels. She was a very classy lady. I know she was so loved by her family. Phil and I are sending our thoughts and prayers to Barb and her entire family.
