“ I absolutely loved taking care of Lyola for the two years I worked at Heritage. She was always so bright of a person and always made me smile and laugh. Thoughts and prayers, she will forever have made a difference in my life.

“ Lee was such a dear and kind friend of mine from TMA. We shared so much of our lives with each other. She was one of the most beautiful and kind people I have ever known. My life was enriched because of my friendship with her.

*My sincerest condolences to the family.

“ Lee and I were friends for many years beginning at Longfellow Grade School and then DeVilbiss High School. We stayed in touch on and off and even after I left TMA and she was working there. I send sincerest sympathy to her family and may she rest in peace knowing she had a life well lived. Mary Lou (Schlieve) Miller - Hilliard Oh

My sincerest sympathies to the loved ones of Loyola, as you grieve this great loss. We were friends at Longfellow School and DeVilbiss High School. We spent time after school doing projects for Mrs. Clark's Girl Scout troop. I always loved hearing your mom play the piano way back then. I am sure she is smiling down upon you now. Blessings to all. Pat Moulton Perez Ashland, OH

“ Lee was a dear friend for many years at TMA. She was a very positive person and so easy to work with. We shared lovely times after she retired - lunches, chats, and a few other outings to concerts. Lee loved her family so much. I remember many thoughtful notes that I received from her, which were always uplifting, even when she had troubles.
I'm sorry that we lost touch these past few years.

May your family be comforted and blessed with her memory.

“ We knew Lee from her days at the TMA. She was always positive, a cheerleader, upbeat, kind, thoughtful, concerned and sweet. Her beautiful smile and warm loving ways remain with us and we hope with each of you too. Wishing you many happy memories and much peace during this sad time. Sincerely, Carol and Larry Nichols
