“ I remember Donna fondly as she was a friend of my mother (Eleanor Keeler Tyrrell). My thoughts and prayers are with you. Mom has been gone 15 years and I miss her, still. Hopefully they are reunited and laughing together.##imported-begin##Dianne Grieder diannegrieder@att.net##imported-end##

“ How wonderful when my parents moved across the street from Matt and Boogie! They created another family for them when I went off to college and my adult life. Golf, cards, trips and just a mutual respect for one another made the best friendship I could ever dream of. I am still trying to recreate that union with many of our friends. How lucky to have had such role models for our lives. I have many pictures to remind me of the wonderful friends your parents were to all of us. Hoping they are all out on the green pastures playing golf together. Lots of warm and wonderful memories to all of you. Love,
