“ *Mady, I don't even know where to begin. You were by far the sweetest, most genuine, caring, and hardworking person I've ever met. I'm so glad we were roommates at the Regional Challenge; you kept me sane! I'm never going to forget you, your funny love for Pedialyte, your constantly changing hair, our target runs for granola and vitamin water, and staying up watching the Great British Baking Show with you instead of sleeping. To Mady's family and friends, I am so sorry for your loss. Mady was only in my life for a short time, but even in that short time, she positively impacted my life. Rest in peace, Mady.*
