

Mallory E. Myers

January 5, 1989 - March 20, 2024

Our darling, Mallory Elizabeth Myers, affectionately known as Mal, 35, of Toledo, Ohio completed her earthly journey and joined the hands of the Lord on Wednesday March 20, 2024.

Mallory was born on January 5, 1989 at Toledo Hospital to David and Elizabeth Myers as the second of four children. She spent her early childhood and young adult years in Fort Wayne, IN and Toledo, OH, where she graduated from Toledo Central Catholic High School in 2007.

Mallory had an uncanny ability to reach people in a deep and positive way through selflessness and charisma. She loved spending time with her two children, along with her nieces, nephews, cousins and extended family.

Her endless creativity, captivating smile, beauty, and gentle soul captivated everyone around her. She showered everyone she knew, even strangers, with joy and unconditional love. Mallory taught us to always root for the underdog, to lend a helping hand and listening ear to those in time of need.

She is survived by her mother, Elizabeth (Brian); daughter, Brooklynn (15); son, Braxton (8); brother, Thomas (Ashley); sister, Kelsey (Bryant); brother, Andrew (KJ); brother Drew Hahn (Kelly) niece, Isabella; niece, Norah; nephew, Archie; nephew, Calvin; niece, Avery; nephew, Mason, her loving

friend, Karl; and countless family members and friends she loved dearly. She was preceded in death by her father, David; paternal grandmother, Barbara; paternal grandfather, Dale; maternal grandmother, Joan; maternal grandfather, Jack; maternal birth grandmother, Nancy, and aunt, Patricia.

Family, friends, and others that were touched by Mallory or whom helped guide her in life are invited to honor Mallory St. Patrick of Heatherdowns Church, 4201 Heatherdowns Blvd., Toledo, OH 43614 on April 5, 2024 beginning at 9:00AM with Visitation in the church, followed by 10:00AM Mass. After Mass there will be a celebration of her life at The Holy Family Center located on the church grounds, where all friends are invited to join the family in remembering all the beautiful, wonderful blessings Mallory brought to our lives.

There are some who bring a light so great to the world that even after they have gone, the light remains.

"Choose love & always be kind." - Mallory

With deepest sympathy, to the family of Mallory, you are in our prayers. My daughter Shirlisa Blackman and Mallory were classmates at Central Catholic High School class of 2007. Not only were they classmates but friends, who spent a lot of time together. May you find comfort in knowing that Mallory was loved by many.

“ *We were lucky to be family even if for just a brief time ~ but the memories, those will last a life time. Everyone has a path in this place, some paths are much harder to understand than others, this is definitely one. May your light will always shine, your name always spoken. Walk your new path up there sweet girl and remember to shine bright, you'll be missed by so many down here.*

“ *Countless volleyball practices where we willingly listened to the same panic at the disco album on repeat, and countless games. Growing up with Mal and her siblings was a blessing. Tho we didn't really keep in touch after high school she reached out when my mom got sick. I couldn't be more thankful for every little moment with her. She will be missed. Absolutely gone too soon.*

“ *I met Mallory in 2010 when I started teaching at Sensational Kids. I did not know we would end up with a forever connection - Brooklynn is the Big sister to my granddaughters, Malia and Hayden. When I met Mal, I was eyeball deep in grief, having just lost my husband. Despite our age difference (I was old enough to be Mal's mom) we became fast friends. Her energy and sense of humor helped keep me afloat in a very dark time. We had many deep conversations- about death, parenthood, falling in love, marriage. We also laughed until we cried about our work adventures and dumb internet videos. When I left Sensational Kids a year later, she made me a beautiful hand drawn card, full of love and inside jokes. She was special. I last saw her about 3 years ago, at Malia's birthday party. It was so nice to see her face, share some memories, and hug her again. I know nothing I say will bring comfort to her children or family. But I hope my words will bring a spark of hope and joy to their dark... just like Mal did for me. Look for her in the butterflies, listen for her whispers of love.*

“ *Mallory was a beautiful soul. She was a teacher to both of my special needs boys. She was always there for us when we had troubles dealing with anything. Always there to listen and always so caring. I pray she is at peace, without a worry in the world! There are not enough words to express how much she is missed!! Sending comforting prayers to all her family and friends! Love you Ms. Mallory* ❤️
