“ *Terry, Ruthann and grandchildren,*

Please accept our deepest condolences to and your family on the passing of your mother, Maggie. She certainly lived her life to the fullest.

I recall the days when we would hang out on Marrietta Dr. and pulling toy orders in the summer at her downtown toy warehouse. She would always take us to Corner Hamberg on Dorr St. on the way home.

*Also, the weekends at Posey Lake when your mom would take me along.
She will be missed.*

Unfortunately, Cis and I are in Florida and will not be back in Whitehouse until May.

God Bless you and all of your family.

“ *It was always a special treat to take a boat ride with Dad around Posey Lake and to have him dock for a visit with Ed and Maggie! She always welcomed us with open arms and introduced my sisters and me to her famous ooey-goey popcorn balls. Ed and Maggie are one of my fondest childhood memories at Posey Lake.*
