“*Kim and Family, I would like to send you my deepest sympathy in the loss of your mom. Our mom's always hold a special place in our hearts. She and my mom used to go to bingo and the horse races often together. They had some really good laughs together. Many years ago they went to the horse races and came out to a flat tire. My mom called AAA and got the tire fixed but they were the last people around. Here they were two women driving home really late, I think about 2:00 AM by themselves. They laughed about that for a long time.*
