“ Dear Familia Martinez:

It was with such sadness to hear of the passing of your beloved sister. I met her when she was dancing away to my brother's music (Gerard Luna). Such joy she displayed and I loved how happy she was dancing and dancing to the music. Please recognize that she was very much appreciated her love of music and we are truly sorry to hear of her passing.

Abrazos and peace to your family.

“ I missed your call this July 4th. You always called on your birthday. I heard you were ill , did not realize you were that ill. Missed that call so we could share a few words of encouragement to each other. You also never missed calling me on my birthday. Always enjoyed those calls. You were a delight and loved by all who met you.
