“ Dear Guitteau Family and Friends,
I am so very sorry to hear of the loss of your dear loved one, and offer you my sincere condolences. I too have lost several loved ones in death, and the pain is tremendous, even with the passage of time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress according to Psalms 83:18, and Psalms 65:2. Please be assured , death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again, as promised at John 5:28.29 and Isaiah 25:8. My family and I wish you and yours peace.

“ For ten years I worked in Head Start with Marilyn Guitteau. I was a teacher supervision and entered Head Start when it first began. Marilyn was always a cheerful person who enjoyed being around people. She always appeared to be happy and related well to others. She was an asset to Head Start. Also she spoke very fondly of her son, John, who I believe was still in elementary school or junior high and his sport activities. Marilyn led a full life. My symphony goes out to her family!....Jean Ann Davis

“ *In our family, Aunt Marilyn was the last of her generation. I was a flower girl at her wedding and she was always so much fun!*
