

Mark Charles Reger

May 19, 1973 - April 4, 2023

Mark Charles Reger was a remarkable father, son, brother, uncle, cousin, nephew, and friend. He left the world after a long and brave battle with cancer on April 4th, 2023, at the age of 49.

Mark was born to Mark and Susan Reger on May 19, 1973, in Cincinnati, Ohio. He cherished being an older brother and guiding his younger siblings through primary school. After graduating from Central Catholic High School, Mark attended the Nursing program at Owens College and Lourdes University. Following his graduation, he continued his education at Wayne State University and received his master's degree as a Certified Registered Nurse Anesthetist (CRNA) which led him into a very rewarding career. During this time, he and Lynde Daiek welcomed their beautiful son, Luke Reger, into the world.

Mark embodied all that a person should strive to be. His delightful wit and jokes as well as his gift for storytelling and infectious laugh were legendary. He will forever be at the core of our most cherished family memories.

Mark is survived by his son, Luke, who was his greatest pride and joy in life. They shared an unfathomable love. This love brought a smile to the faces of everyone privileged enough to witness it. They enjoyed adventuring together and created a wonderful life full of special memories.

Mark is also survived by his parents, Mark and Susan Reger who couldn't possibly love him more than they did and will continue to do so. He was adored and admired by his younger brother and sister, Ryan (Debbie) Reger and Tara (Clark) Jump. His nieces and nephews, Maia (Goddaughter), Jack, Will, Madi (Goddaughter), and Brenna all love their uncle infinitely. They could not contain their excitement for a visit from him. Mark also has a massive network of aunts, uncles, and cousins who always cherished their time with him. He is preceded in death by his loving grandparents, Bob and Zola Miller as well as Chuck and Adele Reger. The hole he left in our lives is huge, but we will carry the best of him in our hearts and continue to tell his stories forever.

Friends may visit at the Coyle Funeral Home, 1770 S. “ I have had the privilege of being very good friends with Mark Reger for over 30 years as we met during our high school years. Mark has always been one of my closest friends and a very special part of my life. We have always kept in touch frequently over the years and I've been able to spend some quality time staying with him at his house a few times recently over the past few months.

During these recent times, we have had the opportunity to share lots of great memories and laughs over some very fun times that we have had in the past. We spoke about some of the amazing vacation trips that Mark and I have traveled together on over the years, and it's quite a list that includes Cancun Mexico, Aruba, Canada, Las Vegas, Florida, North Carolina, snow skiing in New York, and several trips to Chicago for both of our bachelor parties.

As this is well known by many others, Mark's contagious smile and laugh would always cheer people up, put everyone in a good mood, and just make everyone else around him laugh. I always admired Mark for his genuine ability to always find the good and positive in everybody as he always made a great impression on all that has ever met him. He was truly one of the most kind and caring people I have ever met.

Mark has always had an incredibly positive impact on me and my life more than any words can describe. He will truly be missed, and our memories are cherished and will last forever. Heaven is lucky to have him just as I have been lucky to call him one of my very best friends.

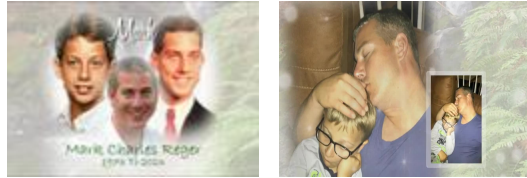

Prayers to the Reger family and God Bless!

“ *To the Reger family. Words cannot express how very sorry I am. Mark and I were very close for a few years in high school. Lots of camping trips to Polkagon, Maumee Bay. We also got in a lot of trouble together too. I am so thankful I was able to meet up with him recently, we picked up like we hadn't missed a beat. Mark was a special part of my life and he will never be forgotten*

“ *Mr and Mrs Reger, Ryan and Tara,
I'm very sorry for your loss. You raised and molded such a wonderful person. Mark was one of the nicest and dedicated people I've ever met and it was my pleasure to be his friend. While our opportunities to get together got further apart, we would always fall right back into when we did have the chance to get together.
Thank you all for the memories!*

“ *Dear Sue and Mark, While I did not know your son, I would like to express my deepest condolences to you and your family as you somehow adjust to this loss. Looking at Marks picture, I see a man that resembles you both so much and yet has his own sparkle. I am sure he was a joy to you and all that had the pleasure of knowing him. May God welcome him and may you be comforted.*

“ Mark was such a bright light in all our lives. I remember when he came to our son’s wedding (his cousin) the single ladies there couldn’t take their eyes off of him! Sadly we didn’t get to see enough of him due to living so far apart. We will always cherish the memories.

RIP Marky, we love you ❤️ Aunt Ginny and Uncle Craig

“ I was sad to hear of Mark’s passing. I worked with him as a new nurse on 6N at TTH. Not only was he a great nurse, he was so kind. I will always remember his pretty blue eyes. My sympathy to his family. Rest in peace Mark.
