April 1, 1934 - March 7, 2016

Mary Louise Adamshick, age 81, of South Toledo, passed away peacefully, Monday, March 7, 2016 surrounded by her loving family. She was born on April 1, 1934, to Francis and Mary Brandon Comes. Mary Lou was a graduate of St Ursula Academy and St Vincent's School of Nursing.

“ My husband knew Rufus for many years growing up and I was a very good friend of Mary Lou all through High school. We had such fun together. I visited her last at the nursing home on Fremont Pike last July along with classmate Nancy Farber. We had icecream together. After that one day about a month ago, MaryLou called me on the phone here in Florida. She said she had a dream about me-- something about driving and cars. We talked for awhile. She sounded good. Our favorite memory about St. Ursula was getting together at sleepovers. She had us over more than once on Ogden. So we got to know her mother, your grandmother. Nice lady. Also Mary Lou, MaryAnn Lang and I took kids from St. Anthony Orphanage to the Zoo. We met at ML's house, crossed the railroad tracks, walking to the Zoo and back on a Saturday. That was for the Legion of Mary at St. Ursula's. We called it Ursuline, of course, in those days. Fond memories. Will remember her by donating to St. Ursula Academy or the Ursuline nuns. “ I was sad to read about Mrs Adamshick's passing. Every time I watch a game show on TV I always think of Mrs. Adamshick's kitchen and Amy telling me her mom won it on a game show! That memory will always stay with me. I hope her family and friends find peace in her passing.

“ Seeing that picture of Mary Lou and her dimples reminds me of all the memories of our three years at St. Vincent School of Nursing. Those dimples and her smile was a signal that an adventure was about to take place. I have kept in contact with Mary Lou all the years since our graduation and just talked to her via phone a month ago. She was very upbeat in spite of her physical handicaps and we had a few laughs about old times. I am deeply saddened by her death and told her in our phone conversation I would visit her this spring when it was warmer. Rest M.L. now you know what Jesus looks like.

“ To Mary Lou's family: The world is a better place because Mary Lou passed through it. Dale & I met her and Rufus through our mutual friends at Clear Lake, IN. We shared ideas, jokes, wishes, likes, dislikes and great food many many times. She cared about the world around her with great passion. She adored her family. I'm so glad I was lucky enough to meet her. I'm sure she and Rufus are now "catchin up". May all of the great memories you have of her help to sustain you now during this most difficult time...Sincerely.....Kay Wortman,
