“ *Tim,  
When we were in high school I always thought that your mom was so cool because she loved to paint. I remember going to your house and seeing her beautiful paintings all over the livingroom. When I met up with Mary many years later at St. Joan of Arc she was so kind and supportive of me and my work there. Your mom was such a lovely person. She truly was a gift to so many.##imported-begin##Debbie Jaegle##imported-end##*

“ *I loved Mary, she was my sponsor for my confirmation at OLPH. My mother Pat West worked with Mary in the Medical Records department at MCO for many years and they became very dear friends. Mary came to the funeral of both of my parents and my sister and I were very grateful for her friendship to our family over the years. She was a wonderful, wonderful person and will be dearly missed by all who knew her.##imported-begin##Angie West##imported-end##*

“ It was with considerable sadness that I read of Mary Drew's passing. I worked with her at UTMC many years ago in the transcription dept. Occasionally I would drop her off at her house with my two nursery school aged children. When I mentioned her passing they remembered her as the lady that always smiled and gave them candy bars. She frequently mentioned her love of her family and always seemed to love life. It is times like these when we need to cherish those wonderful moments we shared with her.##imported-begin##Shirley Irving
