“ Judy, Nancy, Jim and Marcia - Sending prayers and thoughts from the Szpila Family. Joe and I had lunch this week and learned of your Mom's passing. It's sad that it took this to get in touch with all of you. We have great memories from school and hanging out together. At least for me a New Year's Eve does not pass that I don't think of the Feak Family. Take care and may God Bless you and your Dad at this time. “ Mrs. Feak was a very special mom and it made me very sad to read the news today. Marcia and I attended Little Flower School together and the parents of my grade school friends still have a special place in my heart. I would usually see Mr. & Mrs. Feak at Meijers and would stop and chat. She would always leave me with such a good feeling as she was such a sweet person. I was going into Meijers today and ahead of me a woman was going in and from the back her distinct white hair made me think it...###imported-begin###Jennifer Schlosser 06/27/2006###imported-end##

“ We remember going to Judy's wedding while Joe was Vice-Pres. of Hale Chrome Serv. Then when our Sandy got married, there stood Jeannie and either Nancy or Marcia waiting to give US OUR CONGRATULATIONS. How wonderful it was to see them, it meant more to us than anyone there. She was so special to us. What a wonderful person! Love Joe and Midge###imported-begin##Joe and Midge Donaldson 06/27/2006###imported-end##

“ After reading the obit this morning of Jean I have since been thinking back to the time of her employment at Hale Chrome Service. Jean was a star because of her quality habits and correctness to everything she touched. I will remember her always for her own constitution she lived by. What a nice person she was! What a smile she had! Even putting up with me. Jean was in on the "growing up Rick" part of my life. Her help will always be respected and appreciated. My prayers and constant thought ...###imported-begin##Rick Deye 06/27/2006###imported-end##
