“ *She was my best friend since our high school days at Central Catholic. I will always remember her laugh and smile. So many memories especially with us being in each others weddings, playing bingo, getting together with all of our kids, . . .*

“ *I have such fond childhood memories of the Hare's. Mary Sue was like a second mother back then. We may have lost touch over the years but I still think of all of them with a smile.*

One memory in particular was one of many dinners at their house. The kids called garlic bread "mothers bread". What fun times. She will be missed. Love to you all
