“ *Dear Lulu & Family,*

*What a beautiful picture of your Mom...  
I will always remember that smile of hers and  
her saying to us "oh you girls" to whatever plans we were hatching  
at that time.  
Just know you are in my thoughts and prayers. Lulu, though I may  
be miles away, know that I am here for you.*

“ God looked around his Garden and found an empty place.  
He then looked down upon his earth and saw your loving face.

He put his arms around you and lifted you to rest.  
His Garden must be beautiful, he always takes the best.  
He knew that you were suffering, he knew you were in pain.  
And knew that you would never get well on earth again.  
He saw your path was difficult, he closed you tired eyes,  
He whispered to you "Peace be Thine" and gave you wings to fly.  
When we saw you sleeping so calm and free of pain,  
We would not wish you back to earth to suffer once again.  
You've left us precious memories, your love will be our guide,  
You live on through your grandchildren, you're always by our side.  
It broke our hearts to lose you, but you did not go alone.  
For part of us went with you on the day God called you home

*I love and miss you dearly, love cricket###imported-begin###cricket cri

“ Hi Girls, Wish it were more pleasant circumstances that we were celebrating. Your mom's life has to be celebrated because she was a special person.  
Love and prayers go to all of you. Losing your mother is like no other experience, and no matter at what age. Be happy she was with you as long as she was. It has been a year 10/31 that I lost Mel; seems like yesterday.  
Keep those happy memories alive and speak kindly of those living.  
Love, Ellie and family.##imported-begin##Evelyn (Ellie) Majewski bu siaellie@sbcglobal.net##imported-end##
